

LOVE LAWRENCEVILLE DAY

FEBRUARY 1, 2024

9:30AM - 12:30PM

WE ARE...

1. Connecting Central Gwinnett & Discovery High School Students with Lawrenceville
2. Providing a workforce pipeline for local businesses.

A New Year and a new Love Lawrenceville Day! On February 1st, Central Gwinnett and Discovery High School will join Impact46 and the City of Lawrenceville for a fun-filled morning. Attending students will have the opportunity to participate in a half-day job shadowing event with local businesses and connect with Lawrenceville itself. We hope to introduce these students to potential career paths and potential internships with the Summer of Impact while giving our businesses the chance to market themselves and their services to a group of rising, future young professionals, both for this coming summer and further into the future.

Learn how you can get involved!
